## 2021 IEEE IAS INDUSTRIAL AND COMMERCIAL POWER SYSTEM ASIA

### IMPORTANT DATES

Submission Deadline: **April 15, 2021**

Notification Date: **May 15, 2021**

Organized by University of Electronic Science and Technology of China, and sponsored by IEEE, IEEE IAS, 2nd IEEE Industrial & Commercial Power System Asia (IEEE I&CPS Asia 2021) Conference will be held during July 18-21, 2021 in Chengdu, China.

## CALL FOR PAPERS

IEEE I&CPS Asia 2021 will focus on 'Smart Energy Empowers Low Carbon Future'. It aims to provide a high quality platform for researchers, practitioners, professionals, and students from all over the world to present their latest research findings, ideas, and applications in the related fields of Power Systems. Featured with keynote sessions, technical sessions and special sessions, IEEE I&CPS Asia 2021 will provide the delegates an unparalleled opportunity to exchange with qualified professionals and build future partnership.

### TOPICS

#### Power System Engineering

- Power System Planning
- Power System Analysis
- Power System Reliability
- Power System Operation
- Power System Control

#### Power System Protection

- Low Voltage Protection
- Medium Voltage Protection
- High Voltage Protection

#### Energy Systems

- Energy Efficiency
- Microgrid
- Distributed Energy Resources

#### Smart Grid Technology & Application

- Real-time Grids Monitoring and Security Assessment
- Design of Modern Energy Management Systems (EMS)
- Novel Information Technologies for Smart Grids

#### Renewable Energy Integration

- Renewable Energy Development and Integration
- Energy Storage Technologies

### Call for Special Sessions

The Organizing Committee invites proposals for Special Sessions to be held during the 2021 IEEE IAS Industrial and Commercial Power System Asia (IEEE I&CPS Asia 2021). Special sessions complement the regular technical program by highlighting new and emerging research topics or innovative applications of established approaches. The topic of a special session proposal should be timely and compelling.

### Publication

Accepted papers of IEEE I&CPS Asia 2021 will be published in conference proceedings by IEEE, submitted to IEEE Xplore, and indexed by Ei Compendex and Scopus.

**bonus!!!**

Excellent papers will be recommended for review by IEEE Trans on Industry Applications (proportion can reach up to 50%).
