CALL FOR PAPER

We cordially invite you to submit papers to the 2024 IEEE IAS Industrial and Commercial Power System Asia (IEEE I&CPS Asia 2024) that will be held at Pattaya, Chonburi, Thailand during the period July 9-12, 2024. In this year the conference focuses on "Carbon Neutrality for Future Power and Energy Systems" with many interesting topics including power and energy systems applications, smart grid technologies, renewable energy integration, energy storage technologies, electric vehicles applications, carbon neutrality in power and energy systems. The conference is organized by the School of Engineering, KMITL, Thailand. The conference is fully supported by the IEEE Industry Applications Society.

CONFERENCE TOPICS

1. Power systems
2. Energy systems
3. Smart grids
4. Renewable energy integration
5. Energy storage technologies
6. Electric vehicles applications
7. Carbon Neutrality in Power and energy systems
8. Other Relevant topics

ADVISORY COMMITTEE

- Chairperson: Somyot Kaitwanidvilai *KMITL, Thailand*
- I&CPS Chair: Rob Hoerauf, *USA*

STEERING COMMITTEE

- Chairperson: Wei-Jen Lee, *USA*
